Dyslexia, ADHD and DCD-Friendly Study Skills Guide

This practical skills guide helps young people with who learn differently including those with dyslexia, DCD/dyspraxia and ADHD, study for their exams.

Literacy Lessons Designed for Individuals

Part of the highly successful early intervention programme Reading Recovery for children experiencing reading and writing difficulties. Literacy Lessons: Designed for Individuals, in two parts, provides administrators and specially-trained teachers with guidance for managing Reading Recovery. It answers the questions of Why?, When? and How? individual literacy lessons for young children at risk can be highly successful.

Supporting the Emotional Well-Being of Children and Young People with Learning Disabilities

An essential and practical resource for helping children with severe and complex learning difficulties, their classmates, their teachers and the schools that they attend. The highly adaptable materials, activities and ideas presented in this book will be useful both in the classroom and in staff training to promote understanding of emotional well-being and mental health of all pupils who may need support.

Helping Your Child with Language-Based Learning Disabilities

This important guide offers tools and practices to help children transcend language-based learning difficulties, do better in school, and gain self-confidence and self-esteem. If your child has a language-based learning difficulty such as dyscalculia, dyslexia, and auditory processing disorder they may have to work twice as hard to keep up with their peers in school.
